

2008 – 2009

Welcome Members and Future Members,

We would like to welcome all of our current and future members. For those who are not familiar with the Clark County Medical Society Alliance, it is an organization of physician spouses which focuses on health related needs in our community. In past years, the Alliance has sponsored community health events, provided nursing scholarships, and raised monies for such charities as the Susan G. Komen Breast Cancer Foundation, the American Heart and Stroke Associations, and recently The Shade Tree. We need your support in the form of membership dues and volunteer time so that the Alliance can continue to serve our community.

There are many exciting events planned for the Alliance this year. We invite all past members to renew their membership, including those who have not renewed in the last years. We encourage members to get involved in the special interest groups and the committees. Our luncheons are a great place to catch up with old friends and make some new ones. Please visit our website at [CCMSA-LV.org](http://CCMSA-LV.org) for more information. Application for membership is on the reverse side. Please take a moment NOW to fill it in and mail it to Bonnie Ng, our treasurer. Please feel free to contact us with any questions, concerns, or suggestions.

This is the start of an amazing year! We can't wait to see you!

Sincerely,

Karen Schroeder

Co-First Vice President
